We are happy to take orders for meat and livestock up to a year in advance.

Ducklings are normally hatched to order, although we may have some available at shorter notice.

Furniture and timber items are made to order – every piece individually hand made.

Oak and softwood Bird/bat/dormouse boxes are made from untreated timber to be kind to their inhabitants. Owl boxes are made in the recommended appropriate ply.

Sizes given are approximate. Kestrel and other boxes are available on request. All

come with simple instructions and are made to RSPB and Barn Owl Trust designs.

**Delivery:** Timber items, fleeces, lambskins and hatching eggs can be collected from the farm or posted/couriered at cost. Do contact us to discuss.
